

**Oregon Humane Society Hosts Special Pet Adoption Event Featuring
Lucy Pet Foundation Founder Joey Herrick and Chief Veterinary Officer
Karen "Doc" Halligan**

Special pre-Easter pet adoption event will feature discussion on the top three mistakes cat owners make regarding their cat's litter box from feline expert "Doc" Halligan and Spay/Neuter Education to help stop pet over-population from Lucy Pet Foundation Founder Joey Herrick

Portland, OR (April 14, 2017) — The Oregon Humane Society, 1067 NE Columbia Blvd., will host a special pre-Easter Pet Adoption event on Friday, April 14 at 4 p.m. The event will feature special guests from the Thousand Oaks, Calif. based 501 (c) (3) non-profit Lucy Pet Foundation, whose sole mission is to reduce pet overpopulation and the euthanasia of over 80,000 dogs and cats per week in the United States.

On hand to discuss ways to prevent pet over-population is Lucy Pet Foundation Founder Joey Herrick. "We are very excited to be part of this event and to share our message to spay and neuter your pets to help prevent the over-population of dogs and cats," said Herrick. "There are far too many pets per week being euthanized in this country. It's time this practice came to a halt."

Also on hand to discuss to dispel the top three myths about cat litter boxes is feline expert Dr. Karen Halligan. "Pet owners have no idea what dangers lurk in their cat's litter box from dangerous ammonia fumes," said Halligan. "This is especially serious for cats and their owners with asthma, upper respiratory infections, and compromised immune systems. Lucy Pet Cats Incredible™ litter, with its new exclusive patent-pending formula, actually stops ammonia from forming in the litter box."

Herrick and Halligan will be donating Lucy Pet Cats Incredible™ litter to the society in hopes of helping to support the feline population at the shelter. A portion of all profits of Cats Incredible™ are donated to the Lucy Pet Foundation to reduce pet overpopulation through mobile spay & neuter clinics as well as funding other animal related welfare causes.
